

# Translation Document of Award

The *Deutscher Akademischer Austauschdienst* (German Academic Exchange Service) is a joint organization of the universities and other institutions of higher education in the Federal Republic of Germany. Supported from public funds, the DAAD promotes international academic cooperation, especially through the exchange of students and academics. DAAD scholarships are awarded by selection committees comprising a panel of independent academics.

The person named in the overleaf 'Stipendienbescheid' has been awarded a scholarship by the DAAD for further academic study and training in Germany.

I would like to congratulate you on your award and wish you a successful stay in Germany. Besides working in your special academic field, I hope you will make use of the opportunity to get to know our country, its people and its culture better. It would give me great pleasure, if – after returning to your home country – you would maintain contact with your German partners and the DAAD.

Prof. Dr. Dr. h.c. mult. Theodor Eberlein  
President of the DAAD
